To Whom It May Concern:

In regards to Mike Pitts and American Building Management, I must say that I have been very pleased with the way Mr. Pitts has followed through with the reconstruction insurance claim.

Mr. Pitts is good to his word, follows through with his promises, and corrects mistakes, making decisions for the best of your church at a fair price.

I would not only recommend Mr. Pitts and American Building Management, but would use them again. Both my board and I are satisfied with the job.

God bless you.
